Nov 17th BSCO Committee Updates – silent minutes

- **Beth Zappitello – Community Outreach**
 - Clothes Closet (once a year commitment – I’ve requested Sept each year) no problem getting volunteers this year – had to turn a couple of people down served 118 kids which was double same day last year (1200 units of clothing out the door)
 - Kids Care Club highest interest to date: 43 kids are enrolled. 2 projects that we’ve done: Project Warm0Up (kids made the collection bins) + Doernbecher (Dr. Kurre – BSE parent spoke: kids did Halloween bags with stuffed animals for kids in hospital)
- **Carol Loescher – Science Fair**
 - Science Committee will hold its kick-off meeting for the 2010 Bonny Slope Science Fair on Thursday, December 3, at 7:00pm in the library. Anyone interested in lending a hand on the committee is welcome!
- **Jennifer Raber – Family Events**
 - Monster Mash Recap – Approximately 500 people attended our 2nd annual Halloween dance. Many thanks to our fantastic volunteers – over 75 Bonny Slope community members volunteered their time, and we had extra help from Sunset High School’s Key Club. We couldn’t have done it without you. We also benefited from numerous donations by the following local businesses: Costco, Target, Albertsons, Bales Thriftway, Trader Joes, and McDonalds.

Sunset Bowling and Plumpers Pumpkin Patch also helped with loans of bowling equipment and hay bales. These donations helped us to turn a profit, beating our “break-even” budget by over \$500. Thanks to all of you who helped on this fun event!

- **Lisa Alan – Co-Treasurer**
 - Planning will need to be done before anyone undertakes any arrangements for a raffle. WE will need to determine the correct procedure for ascertaining fair market value of donated items and giving receipts for contributions and purchases. It will involve careful documentation so that we can report it correctly on our tax return.

5th Grade Representatives

Mrs. Murphy’s class

Jackson – President, Aidan – Vice President

- The class is learning about government, currently U.S. but will expand to other countries. They designed a class government. Their teacher may write a book on how to teach based on a 3 legged stool model they came up with. Schema – what already know about a topic – can use in all genres.

Mr. Traller’s class

Bryan – President, Emily – Vice President

- Music – learning and trying out different instruments, skin, metal, wood, etc. Bonny Slope Television: approximately 39 applicants, 9 chosen. Plan to go around the school looking for show ideas. 1 show a month. Writing feature articles on people and places.

Mrs. Sauer – Visiting Author

Chosen authors are Sisbro Studios. Telling Nature’s stories. The theme fits in well with the PYP inquiry based program at Bonny Slope.
